

GETTING THE MOST OUT OF YOUR BUSINESS STALL

My Kids Market provides a place for small child/family related businesses to connect with local mums, dads, grandparents and parents to be and showcase their brands at our events and our online platforms. Our shoppers love supporting small business and enjoy discovering unique products and services at the markets. MKM is the perfect place to offer an exclusive sale or offer, clear excess stock or launch something new and exciting so if this sounds like you please get in touch today!

Anyone wanting to sell new or handmade goods or a service based business is classified as a Business Stall even if you don't have a registered business or an ABN.

Please Note: Businesses that sell food items must provide a copy of their business Public Liability Insurance and Food Handling Certificate prior to the Market Day.

As well as a fun day at the Market hosting a stall gives you unlimited access to our MKM Facebook Community and as much social media exposure as you want for your business as we love sharing market related content in the lead up to our events!

And of course, a whole lot of fun!

How To Make The Most Of Your Business Stall

- Be seen on our social media pages by providing us with images and content to post on our Facebook and Instagram page.
- We invite you to [join](#) our Facebook Community Group and post content and images about your business before the Market Day to increase awareness of your product or service.
- Send us details on any special offers or giveaways you will have at your stall so we can promote this in the lead up to the Market Day.
- Tag @mykidsmarketnsw in your Instagram posts and stories so we can add your business to our Instagram stories.
- Ensure you have plenty of colour flyers/business cards to hand out. Remember not all shoppers will be prepared to buy on the day so be sure to have something for them to take home for future reference.
- We suggest having a promotional code/sticker on the flyer should a shopper take a flyer for future reference. The offer may not be as good as what they receive if they make a purchase on the day however an incentive of some kind that will also assist you in tracking all future sales to determine the overall success of your stall.
- Make your stall inviting as this will attract more shoppers, be sure not to overcrowd with too many items.
- Ensure your signage is clear and sells your business well as that's the whole purpose of your day.
- Clearly price all items and offer market specials to encourage sales.

- Connect with the shoppers by starting a conversation; this is a great way to start talking about your product/service.
- At the end of the market you may or may not sell a large volume of items, however, being present at the Market your brand will be seen by hundreds of local families plus you will have the opportunity to network with other businesses!

Payment Types / Taking Payment

- We suggest you bring at least a \$100 cash float made up of gold coins and small notes as most shoppers arrive at the market with \$50 notes and very little change.
- While cash will always be the main currency at MKM offering a contactless payment option at your stall may help increase your sales especially if shoppers are running low in cash as finding stalls with contactless payment options will allow them to keep shopping!
- The most commonly used Contactless Payment Options are Square, Paypal and Direct Debit , however there are many other options available so best to check them out to find one that works for you.
- Remember to create a simple sign to show the payments types being accepted at your stall.
